RE: General Permit for Discharges of Stormwater from Small Municipal Separate Storm Sewer Systems  
General Permit No. VAR040054  
Town of Bridgewater

Dear Permittee:

Department staff has reviewed your Registration Statement and determined that the referenced Municipal Storm Sewer System (MS4) is hereby covered under the General Permit for Discharges of Stormwater from Small Municipal Separate Storm Sewer Systems. The effective date of your coverage under this general permit is July 1, 2013, or the date of this letter, whichever is later. The enclosed copy of the general permit contains the applicable reporting requirements and other conditions of coverage.

During its 2013 Legislative Session, the General Assembly passed Chapters 756 (HB2048) and 793 (SB1279) which moved several programs from the Virginia Department of Conservation and Recreation (DCR) to the Virginia Department of Environmental Quality (DEQ). As a result of this legislative change, the General Assembly transferred the administration and oversight of the General Permit for Discharges from Small Municipal Separate Storm Sewer Systems from DCR to DEQ. Please submit future permit correspondence and your annual MS4 program reports to the DEQ Valley Regional Office at the following address:

DEQ Valley Regional Office  
4411 Early Road  
Harrisonburg, VA 22801

The general permit will expire on June 30, 2018. The conditions of the permit require that you submit a new registration statement on or before April 1, 2018, if you wish to have continued coverage under the general permit.

If you have any questions about this letter or the general permit, please contact Mr. Brandon Kiracofe, Water Program Manager at (540) 547-7892 or [brandon.kiracofe@deq.virginia.gov](mailto:brandon.kiracofe@deq.virginia.gov).

Sincerely,

A handwritten signature in blue ink that reads "Melanie D. Davenport".

Melanie D. Davenport, Director  
Water Division
